## GEORGIA CATEGORY-3 GUIDELINES

**1 SCREENING:** We will be screening staff, as well as clients. Only those with with a body TEMPERATURE less than 100 may be allowed to enter. If you feel unwell, please stay home and GET WELL

**2 PPE:** ANYONE who enters the salon, is required to wear a FACEMASK. If you DO NOT HAVE ONE, some are available for purchase, starting at \$1. Gloves are optional and are also available

**3 HAND WASHING:** All staff are required to wash their hands in between interactions with clients. Clients are required to do the same before servicing.

**4 SANITATION:** All staff are required to wipe surrounding surfaces with antibacterial cleaners after every interaction. We are happy to provide wipes to sanitize your personal belongings as well (phones)

**5 DISTANCING:** Our salon layout has been modified to promote social distancing but please exercise caution and be aware at all times. COVID-19 symptoms include fever, tiredness, & dry cough.

THANK YOU FOR YOUR PATIENCE & UNDERSTANDING AS WE COMPLY WITH GA MANDATES
